# Mousehole - historic fishing village.

Mousehole harbour.

Mousehole is a picturesque fishing village, on the south coast of Cornwall, steeped in history and well known for its Christmas lights and Starry Gazey Pie. 2 Fore Street is a French bistro-style restaurant on the harbour front with views across the Mount's bay and on a good day provides a clear view to the Lizard point.

The menu changes regularly to reflect the freshest of local produce and boasts an array of crowd pleasers from local steamed mussels and hand cut chips, half grilled lobster with herb butter and rib eye steak sourced locally from St Just served with classic béarnaise sauce.

Owner and Head Chef, Joe Wardell at '2 Fore Street'.

Vegetarian options are always available and daily specials reflect fish landed that day in Newlyn. We aim to cater for everyone with thought given to special dietary requirements; our homemade chocolate and almond cake is wheat and gluten free. You can also enjoy long summer days in a beautiful secluded garden at the rear.

## The restaurant garden – 2 Fore Street.

The restaurant has a secluded rear garden that provides a fantastic haven on sunny summer days and at times welcome shelter from prevailing south westerly winds. Eat and drink in the great outdoors whether you are here for the great tasting food or simply stopping in for a rest.
